

VAISHAK M

< FULL-STACK DEVELOPER >

CAREER OBJECTIVE

My objective is simply to be the best web developer that I can be and to contribute to the tech industry, with all that I know & can do. I am dedicated to being a Full-Stack Web Developer as it is always responsible for developing and maintaining applications using the latest web technologies. This includes my ability to understand the business needs, project requirements and technical specifications of web and mobile applications. And also, I am dedicated to perfecting my craft by learning from more seasoned developers, remaining humble, and continuously making strides to learn all that I can about development.
